Notes

MG3109 - Innovation, Creativity and Enterprise is a core module

Please note that where optional modules clash on the timetable you can only choose one of those modules

While there are two groups for EC2101 Macroeconomics and the Business Environment (Group A and B) this module clashes with two other modules AY874 and MK303. This means that if you choose EC2101 (Group A or B) you cannot take AY874 or MK303.
