DRAFT

This timetable is for semester 1 2020/21, and is valid as of [15/10/2020].

This timetable is indicative of both online and on-campus learning. For larger student groups, lectures will mainly be online through Blackboard. For on-campus components, venues may be added or amended as rooms become available. On-campus components may not begin until later in the semester: for each module, your lecturer will communicate all such arrangements to you directly.

We will endeavour not to make major changes if possible. However, this timetable, and any necessary updates, are dependent on public health advice and may change depending on HSE and/or University advice and guidelines. Any necessary updates will be available from this location and dated accordingly: please work with the timetable containing the most recent datestamp.
